Notes to the Interim Financial Statements for the period ended March 31, 2018

Basis of Preparation of the Interim Financial Statements:

These Financial Statements are the un audited interim financial statement (here after 'the Interim Financial Statements') of **Northern Jute Manufacturing Co. Limited**, Companies incorporated in Bangladesh under companies act,1994, for the 3rd Quarter ended on March 31, 2018 (here after' the interim period'). These Statement are prepared in accordance with the Bangladesh Accounting Standard (BAS-34) 'Interim Financial Reporting'. These financial statements should read in conjunction with the Annual Financial Statements as on June 30, 2017, as they provide an update of previously reported information.

The accounting policies and presentation used are consistent with those used in the Annual Financial Statement.

The preparation of the financial statements requires management to make estimates and assumptions that affect the reported amounts of revenue, expenses, assets, liabilities and disclosure of contingent liabilities at the date of the Interim Financial Statement. If in the future, such estimates and assumptions, which are based on management's best judgment at the date of the Interim Financial Statements, deviate from the actual circumstances, the original estimates and assumptions will be modified as appropriate in the period in which the circumstances change.

The Company operates in industries where significant seasonal or cyclical variation in total sales are not experienced during the reporting period.

Income Tax expense is recognized based upon the maximum among applicable tax rate, AIT deducted at source and tax bases on turnover .

The company has no reportable operating segments as per BFRS-8.

There is no significant event after the end of the interim period that has to be reflected in the financial Statements for the interim period.

There are no contingent liabilities of the company as on March 31,2018.

Provision for deferred Tax is newly created for Tk 7,80,106.00 for the adjustable temporary difference up to March 31, 2018 .

Figure have been rounded off to the nearest Tk.
